

A sledge full of activities

Out with the ski patrol

Before the pistes open, discover, with the **ski patrol**, all the equipment used when **setting off avalanches**.

Free activity.

10-12 person. Twice a week.

New : on-line booking.

www.valmopass.com

Visit of the snow culture factory

To find out all about the **production of cultured snow**, once a week the ski area offers a free tour of the factory. 10-12 person.

www.valmopass.com

Ride in a piste grooming machine

On Wednesdays and Thursday evenings from 18h, the **piste machine drivers** explain their job during a 30-minute ride.

You need to enroll and then hope to be drawn out of the hat, but it's free.

4 person each evenings.

Ski touring piste

The «**Le Toboggan**» piste has been created for skiers to ski tour in complete safety.

It is 3.2 kms long over a vertical drop of 535m.

The piste starts in the forest, before opening out over the **magnificent panorama** of Mont Blanc and the Lauzière mountain range. Descent via the blue piste «Les Traverses».

A sledge full of activities

Fatbike

It is rare to be able to ride a bike in the winter, yet with a fatbike you can !

Adapted to tackle slippery slopes, the fatbike takes you on snowy forest trails and is an activity that combines **pleasure, fun and excitement**, and always accompanied by an ESF instructor.

Every night of the week. 35 €

ESF de Valmorel :
www.esf-valmorel.com

Dog sled driving

Learn to drive a **3 to 4 dog sled** with an instructor. You should count half a day with about 1h30 hours of real driving.

You will learn to «connect» with your dogs and to guide them, before setting off for the white paradise. 150 €.

Escapade Nordique :
