Semir Zuzo's feedback

the Handball club VHA

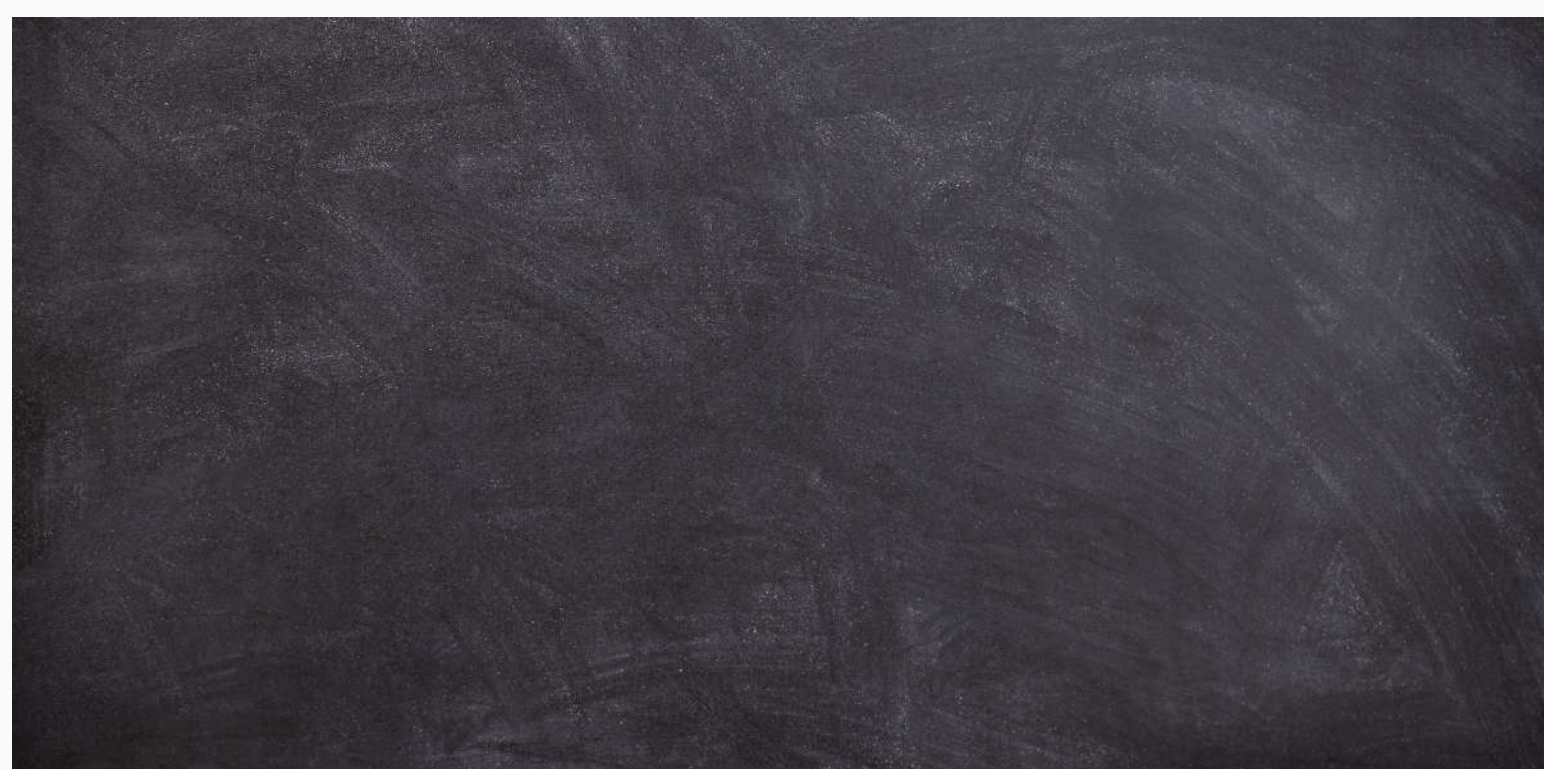

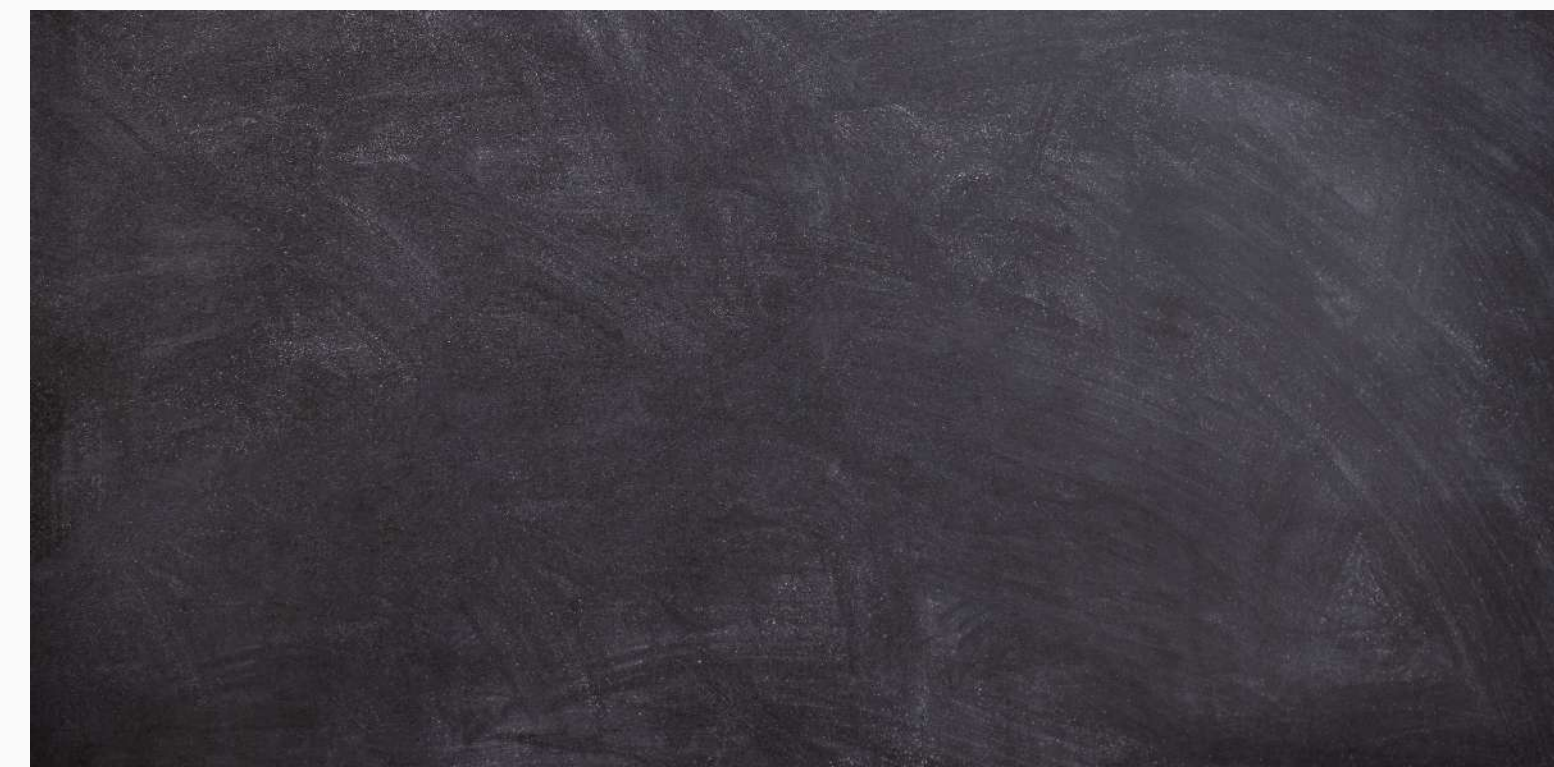

Lyon

August 2020

"We set sail on Friday August 7, for a long weekend in Savoie, for the now traditional cohesion course at the beginning of the season. We met up with Florian Sautel, mountain guide, and left for a bivouac hike in altitude. Then, we experienced rafting activity. A big thanks to the Valmorel resort for organizing our stay and to all the people we were able to meet !"
